General

Dear Mother,

I have no time  
to write a letter this morning  
so can just scribble a post-  
card to let you know that  
I am alright and in good  
health. We came out of the  
trenches last night and are  
back in reserve for a short  
time. Have not received any thing  
from you over Christmas so far.  
Had a box of cigars from  
Mr. Leon, Guernsey, New York  
I'll write this afternoon. Hope  
everything is alright at home.  
Love to all
