

plastered it with butter or margerine rather,
 then I had a good feed. The huyle is going
 now for zippo but I dont think I'll have
 any to night. When we're not working we're
 sitting up here. You neednt send that polish
 now as I have bought some but if you send
 some cake up ~~and~~ wrap it up in a few quarters
 as they only supply us with brushes up here
 and we've got to rub the stuff on with our
 fingers. It's a bit cold when we wake up in
 the morning and you dont feel like getting
 out of the warm bed, then when you get
 up you go down the wash house which is
 open at both ends and cold enough to
 freeze a brass monkey but once you wash
 and wipe yourself you feel as fresh as a
 daisy. Send Dav's and Jack's address up as
 I have forgotten their both and want to
 write to them. I have already written to
 Betty. I have had my photo taken and
 about as it is now but dont show it
 only the second day as it was
 the inoculation. I
 and I felt sick at
 I have a decen
