Your Worship The Mayor,

I received your registered letter quite safely on Friday afternoon.

Would you kindly convey my deepest thanks, to the people of Cowbridge who assisted in raising such a noble fund. When I received the two pounds, it made me think, and feel, that although I was away from Cowbridge, the people still had a thought for me.

I feel sure that everyone serving in the Forces from Cowbridge, will experience this same thought and feeling.

Before closing, may I thank you personally, for the effort, and trouble, which you undoubtedly went through, to raise the proceeds for this fund.

Yours Very sincerely,

Dennis M. Punter

Petty Officer. R.N.
