Cowbridge welcome Senghenydd to the Athletic Ground today. With no game last week due to Welsh Cup commitments, the home side will want to knuckle down to the demands of the league and put behind them the huge disappointment of defeat at Aberdare a week previous. What should have been a comfortable three points, especially as they led for most of the game despite a lack-lustre performance, Cowbridge proceeded to snatch defeat from the jaws of victory by allowing Aberdare to score a late winning try.

A much improved effort will be expected today as they renew acquaintance with Senghenydd whom they previously played two seasons ago.

A warm welcome to all associated with Senghenydd and we look forward to a good game of rugby.

Last week the 2nd XV earned a well-deserved injury-time victory over a strong Whitchurch 1st XV in difficult windy conditions.

Recent results have been encouraging with two wins and a draw. Today, they are away to Old Howardians.

Our thanks are due to the Friends of Cowbridge RFC for the recent Fireworks Display which, despite poor weather in the day, was a great success.

We are extremely grateful to today's **Match and Ball Sponsors, Bulmers Cider and Midland Bank.** Thank you for your continued support.

**Wish Cowbridge RFC every success  
during the millennium season**

We aim to be Top of the League.
