# New playgroup for toddlers

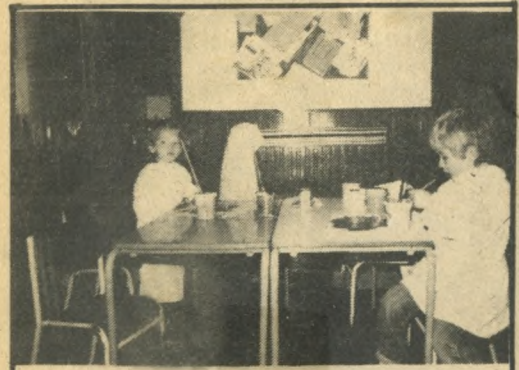

This year has seen the start of a much-needed toddler playgroup for St Hilary. 1989 has been a dynamic year for Jenny Labaton, Janet Evans and Monica Dennis. As founders of the new playgroup in St Hilary they have been active over the last six months fundraising and preparing the Village Hall for their young visitors. The friendly playgroup

opened in September and now has 15 lovely children. Highlight of the Autumn term was the visit of Postman Pat, courtesy of the Post Office. Ms Monica Dennis said "everybody benefits from the Playgroup. "The children enjoy to learning and socialise through play activities, the income helps to maintain the village hall and the door

is always open for parents to call in and take part." "Local support has been tremendous" said Mrs Jenny Labaton. "Friends have given a lot of help and the Bush Inn, the Bear Hotel, Cowbridge and the Round Table have given donations." There are a limited number of places available. If you are interested in a place for your child, call in any morning from Monday to Thursday.

## GROUP HAS FUN

St Hilary Playgroup is soon to close for the summer holidays but not before completing its' first year with humorous events to remember. These events have included visits from 'The Tufty Club' 'Postman Pat', 'Fireman Sam' and the 'Cardiff Playbus' all of which were terrific fun.

The Playbus in conjunction with members of the Playbus staff also provided entertainment for the Under 5's during the last half term school holidays down at Cowbridge Leisure Centre. It will be returning again at the start of the summer holidays on Tuesday July 24 and Tuesday July 31 from 9.30am 12 midday.

All their efforts would not have been possible without help from friends, playgroup parents, the Leisure Centre in Cowbridge, Playbus staff and the staff in Cowbridge Library who have all given tremendous support throughout the year.
