Dear Madam,

October 1961 - £2.14s.0d.

According to our records our Representative has recently visited your area, but apparently has inadvertantly omitted to collect your account.

It would appear that our Representative will not be in your area again for a further 14 weeks and it is with this in mind that we would appreciate receiving payment of the account owing, direct to us at Head Office.

A prepaid envelope is enclosed for your convenience and at the same time we would naturally be very pleased to receive a further order from you.

With compliments,
Yours faithfully,
for...ENGLISH WAXES LIMITED.
