

THIS IS A TENOVUS APPEAL SPINA BIFIDA

- We seek to give these Little Ones a fair chance, not only of survival but to live their lives in a greater measure of normality than can be expected at the moment.

- THIS IS WHAT IS REQUIRED:—
1. A Sterile Unit at the Cardiff Royal Infirmary for treatment.
 2. Research into causes and why this disease is so prevalent in South Wales.

**KEEP IT UP - YOU ARE
DOING SPENDIDLY!**

We have now passed the **£10,000** mark.
