

Puget Sound Welsh Association
National Gymanfa Ganu
Bellevue WA, September 1 to 4, 1994
Hon. Chairperson, Joel Pritchard, Lieutenant Governor

Imagine Labor day weekend in 1994! The area is filled with over 1,000 Welsh people from all over North America, enjoying the music and lore of our Welsh heritage and continuing an annual tradition begun in 1929. This is your invitation to become an essential part of making this grand event happen here in the Pacific Northwest.

We would like you to become a member of the 1994 North American Gymanfa Ganu Founder's club. The enclosed flyers describe what you can help to promote in Bellevue, September 1 to 4, 1994.

The key to the North American Gymanfa Festival is bringing the Welsh from North America together with musicians and crafts people from Wales. This gathering keeps our heritage alive, celebrates our traditions and gives our youth firsthand experience of what it means to be Welsh.

Your participation is essential to the success of this weekend. We need you as a member of our Founder's club. This opportunity is being made for a limited time: your contribution must be received by St. David's Day (March 1), to enjoy all of the benefits of membership.

Founder's Club Members will receive:

- Donor, (\$50 to \$99): a commemorative T shirt.
- Sponsor, (\$100 to \$499): a commemorative T shirt, a pass to the opening night and seminars.
- Patron, greater than \$500: a commemorative T shirt and a pass to all events (excluding tours).

Please fill out the enclosed Founder's Club Form and send it with your check in the envelope provided. If you do not wish to become a Founder's Club member, whatever you can give to support this grand event will be greatly appreciated. All gifts will be acknowledged in the Festival program. **Contributions are tax deductible through the non profit status of the Puget Sound Welsh Association and the National Gymanfa Ganu organization.**

So mark your calendar for Labor Day weekend 1994 and join us to make this great event happen.

Diolch yn fawr iawn! Thank you very much and we look forward to seeing you in Bellevue.

Dear Steve & Carol

If you had not already gathered from all of the publicity that has been going on within the society, PSWA is hosting the North American Welsh Gymanfa Ganu Festival in Bellevue, September 1 through 4 of next year. Enclosed are flyers describing the program that the organizing committee has developed. It is an exciting and well balanced program which will illustrate many aspects of Welsh culture and traditions.

The letter head that this letter is written on was designed by Carolyn Bell, one of our members and this is the official logo for the event. Carolyn won the competition that we ran for the best logo design. As well as puzzling over the details, the committee has been working on the program continuously for over one year and have put in much hard work. We have organized hotels, air transport, tours and other logistical parameters to make sure the weekend runs smoothly.

The event needs much financial support and we are searching for funding from many sources, for example by application to grant funding bodies and companies. We have also initiated a Founder's Club which is described in the attached literature. This club is an opportunity for both members and non-members to contribute and support the Festival and be recognized for so doing.

Please join with us and support our efforts to make the 1994 Welsh National Gymanfa Ganu Festival the best that North America has seen!

With grateful thanks for your support.
