

1993 National Gymanfa Ganu Committee Meeting, March 22, 1992

The meeting was called to order by Jack Pritchard, Chairman. There were 32 people present.

Jack began the meeting by recapping the plans that have already been made, and things that will be expected in the future.

There will be 18 months of planning between now and 1993. Once the planning is finished, the various committee members jobs are over and they are free to help out with other jobs, such as the Hospitality Committee. We will need a lot of volunteers to serve as guides, hostesses, hosts, ushers go-fers, etc. So, please volunteer for 2 things - planning during the next 18 months and helping on the Week-end.

Some of the things that have already been decided are:

Conductor - Alun Guy

Banquet - Genetti's

Gymanfa Ganu - Armory

Gwendaf Roberts of New York has agreed to be the organist for the Gymanfa.

A letter has been written to Howard Stringer, CEO of CBS inviting him to speak at the banquet. WE are still waiting for an answer

We also opened the floor for discussion of the Gymanfa at Kansas City this year. Slatington is running a bus trip, see Edith Hill for details. Beth Landmesser reported that Ruth Davies from All Season Travel has worked up air fare prices for a group trip to Kansas City. She will be asked to come to the next meeting and present the package.

The Luzerne County Tourist Board has given us quite a few hand-outs to take to KC with us. We have ink pens, maps, brochures, and we can get folders to put every thing in.

Jack then asked for suggestions from the floor of things to take with us. Some of the suggestions were: T-shirts with the logo, pads to go with the pens maybe using the post card from '83 design as the cover of the pad; logo stickers similar to return address labels, for the committee to use on all their mailings from now until '93; embroidered badges to stick on name tags.

Jack opened the meeting so that people could talk to the different

It was suggested by Walter George to John Roberts, chairman of the Transportation Committee, that we look into camp grounds in the area that would be available for RV parking during the week-end. It was also brought up that we must be mindful of the accessibility of handicapped facilities.

Nelson Llewellyn, secretary of the National, called to say that Dr. Donald Mills, President, would like to meet with our committee and see how things are going. The date suggested was April 4. Watch the paper, when we get the date confirmed, it will be announced in the paper.

Respectfully submitted,

A handwritten signature in cursive script that reads "Beth D. Landmesser". The signature is written in dark ink and is positioned above the typed name and title.

Beth D. Landmesser
Vice-Chairman
